Sir,

I have the honor to acknowledge the receipt of your docket No. 5459 of 9th November last, forwarding for report a petition from one Bangalore Mari gowda residing in the Jodi village of Handalgéré in the Kunigal Taluk regarding certain Vrittees therein as purchased by him in sale for Govt. arrears and to submit the papers of the case. —

× Encl: 2 sures returned.

2. — The Village of Handalgéré is an Inam one assigned for "Dharmmasa" Service in the Temples of Gopaul Krishna Swami and Karriam Swami in the Village of Honnalgéré in the Nandya Taluk and is divided into 7 1/8 Vrittees, two of which had been held by the archaks of the Temples. The Jodi amount for Dhatu, Iswara,

Hasseenuddin, the Sunpoi Officer ordered its resumption and the levy of full assessment from the purchaser. —

4. — In August 1883 the Amildar took a deposition from the petitioner agreeing to pay full assessment for the Writtee lands in question from Swabhanu (1883–4) and asked the Deputy Commissioner to have the Survey and Settlement introduced thereon. In January 1884, the lands were surveyed and classified by the Survey department and the Settlement was made in the following year by Mr. Abdul Rahamon Saheb when he registered all the lands in the name of the Petitioner. — In the Course of Survey operations the Ryots who have been enjoying the lands objected to their being registered in the name of the petitioner, but Mr. Shanmugavelu Pillé declined to interfere with their rights (Order No. 789 of 25th February 1885). — Thus the petitioner is only the nominal Pattadar without lands which the holders claim to be registered in their name in pursuance of the order of the Diwan already re-

× Huk Hum No. 817 of 20th March 188

5.— As regards the complaint of the petitioner that he has been asked to pay full assessment from 1881 when the Writtees were sold, I beg to invite attention to Dewan Abdul Rahimond sahebs order wherein he seems to have given retrospective effect to the dewans order of Febry. 1883 alluded to above.—

6.— The petitioner who appeared before me prays that the Shetmi tenants who hold dry lands on fixed money assessment under agreement given by the former Inamdar should be made to pay him the assessment now imposed thereon by the Survey department and that for other dry and wet lands held on Bataji Varam or share in the produce be given him. This request seems to be reasonable considering that the Petitioner has not only paid up the purchase money, and the Kandayam for a number of years to Government but has had actually nothing but this dispute to keep up which he has had to neglect his own affairs.— It struck me that we might refund the whole money and pay

Compensation to Hari gowda Collecting the same from the persons in actual possession of the land, but this co relief seems to me to be very inadequate for all the trouble and loss to which the Petitioner has been put during the last Seven years. — Under all the cir: cumstances of the case the proper relief seems to be to comply with the co reasonable wish of the Petitioner as stated above. —

READ THE FOLLOWING PAPER:—

Letter No. 471 of the 20th January 1887, from the Deputy Commissioner, Tumkur District, reporting on the petition of Bangalore Marigauda, residing in the Jodi village of Handalgere, Kunigal Taluk.

No. 1888-9—41, DATED BANGALORE, 17th JULY 1887.

ORDER THEREON.—The inam lands in question which were purchased by petitioner Marigauda at a revenue sale held on the 18th October 1880, constituted two vrittis of the Jodi village of Handalgere. This village is personal and not a "Devadaya" inam, and it has been duly enfranchised. The vrittis in question appear to have been assigned by the Jodidars for the maintenance of *Dhanurmasam* service at the Narayanaswami temple at Honalgere, but such an assignment by an inamdar has not the effect of converting a personal into a "*Devadaya*" inam. Under such circumstances the rules relating to *Devadaya* inams cannot apply to the vrittis in question which must be treated as a personal inam in the same way as the whole village of which they form a part. They must accordingly be held to belong to the purchaser at auction, and the inam tenure on which they were held was not liable to cancelment, as in the case of the alienation of an inam granted by the Government for charitable purposes. The orders contained in Proceedings No. 6999-7000—381, dated 16th February 1883 were passed on incorrect information as to the nature of the inam in question and they are accordingly hereby withdrawn. The vrittis in question must be treated as part of the inam village of Handalgere and in accordance with the Inam settlement, the full quit-rent on the village should be levied, the purchaser Marigauda being regarded as one of the vrittidars. If, as petitioner alleges, the full assessment of the lands has been collected from him from the year 1881—82, the difference between such collection and the quit-rent payable according to the Inam settlement should be refunded to him.

Sir,

I have the honor to acknowledge the receipt of Your docket No 545 dated 9th November last forwarding for report a petition from one B Marigowda residing in the Jodi Village of Handalagere in the Huniyal Taluk regarding certain Vrittis therein purchased by him in sale for arrears and to submit the papers of the case.

2- The Village of Handalagere is an Inam one assigned for Dharmarnaa service in the Temples of Gopalakrishnaswamy and V -swamy in the Village of Handalgere in the M Taluk and is divided into 7 7/8 Vrittis, two of which had been held by the Archikas of the temples- The Jodi amount for Shatru, Easwara and Gramadi having fallen into arrears, the Village was advertized for sale, but before the sale took place all the Vrittidars except the Archik, to a settlement about the arrears due on their ~~their~~ shares

released to them. The Archik, however failed to do so, or even to appear before the then deputy Commissioner (The present Dewan) and his portion was therefore sold on 18th october 1880 and purchased by the petitioner Marigowda for Rupees 44 which he duly paid up. Immediately after the sale was recommended to the Chief Commissioner for confirmation, x Letter No 343 dt 8th January, Rangachar the Archik appeared before the then officiating deputy Commissioner (Mr Vijeyandra Rao) and having offered to pay up the arrears amounting to Rupees 40 odd that officer recommended the sale to be set aside (Vide letter No 365 dt 19th January 1881) which recommendation was duly sanctioned in the late Chief Commissioner's Proceedings No 6200-1 dt 22nd Idem). The Archik however did not Rev 1091 pay the amount though he was given time till 10th March 1881, and the result was that the sale was ordered to be treated as alive. Vide deputy commissioner's Order No 504 dt 3rd March 1881.

3. In August 1882 the purchaser Marigowda applied for sale certificate, but Mr Soob Row declined to grant it observing that the sale had been cancelled and the matter order Nos 713. 1882

till october 1882 when the record

record was referred to the Deputy Commissioner Bangalore as the Taluk was transferred to that district. This Officer enquired if the Archik and Vrithidars were willing to pay up the arrears and get back the lands, and on being informed in the negative, submitted the whole case for the Orders of the Dewan who in his Proceedings No 6999-7000/581 dy 6th February 1883 directed that if the land was a Devadayem Inam, it should be resumed fully assessed and left in the possession of the present occupant. Thereupon the Inam Superintendent was written to and on the receipt of his reply that the Inam was Devadaya, Mr. Syed Nasiruddin, the Muzrai officer ordered its resumption and the levy of full assessment from the purchaser.

Firkam No 1/1307 20th March 1883.

4. In August 1883, the Amildar took a deposition the petitioner agreeing to pay full assessment for the Vritti lands in question from Swabhanu (1883-84) and asked the Deputy Commissioner to have the Survey and Settlement introduced thereon. In January 1884, lands were surveyed and classified by the Survey department and the settlement was made in following year by Mr. Abdul Rahaman Sahib, when the registered all the lands in the name of petitioner. In the course of survey operations, the who have been enjoying the lands objected to their being registered in the name of the petitioner, but Shunmugavelu Pille declined to interfere with their

their rights (order. No 789 of 25th February 1885) Thus the petitioner is only the nominal Pattadar without lands which the holders claim to be registered in their name in persuance of the order of the Dewan already refer= red to.

5. As regards the complaint of the petitioner that he has been asked to pay full assessment from 1881 when the Vrittis were sold, I beg to invite reference to Mr. Abdul Rahiman sahib's order dated 21st March 1884, wherein he seems to have given retrospective effect to the Dewan's order of February 1883 alluded to above. Marked A 74

6. The petitioner who appeared before me prays that the Shikmi tenants who hold dry lands on fixed money assessment under agreement given by the former Inamdar should be made to pay him the assessment now imposed thereon by the Survey department and that for other dry and wet lands held on Balaji Varam or share in the produce be given him. This request seems to be reasonable. Considering that the petitioner has not only paid up the purchase money, and the Kandayem for a number of years to Govern= ment, but has had actually nothing but this dispute to keep up which he has had to neglect his own affairs It struck me that we might refund the whole money and pay some compensation to Marigowda collecting the same from the persons in actual possession of the land but this relief seems to me to be

very inadequate for all the trouble and loss to which the Petitioner has been put during last seven years. Under all the circumstances of the case the proper relief seems to be to comply with the reasonable wish of the Petitioner as stated above.
